# How to Find The Right College and Minimize Debt

## Learn the 6 strategies to become a wise consumer

With outstanding college debt now over \$1 trillion and no relief in sight families need to learn how to lower their costs. This workshop offers you an inside look at the college industry from a consumer's view point. You will learn how to find the best fit for your student at the lowest out of pocket cost.

**Who Should Participate?** Parents with children in their HS freshman year through junior year of college will benefit from this workshop. This is also a terrific resource for grandparents, aunts and uncles to learn more about and share with their families.

**Date:**

**Time: 60 min. (includes Q&A)**

**Location:**

*You will learn:*

- ✓ How to compare colleges across financial, academic, and social factors.
- ✓ The 7 key buyer's concerns colleges don't inform you about and how to leverage that in your favor.
- ✓ Why FAFSA is based on fiction and is NOT the answer for most families.
- ✓ Why SAT/ACT preparation and positioning of your student is vital to your selection process.
- ✓ Where the largest sources of free financial aid really are and how to succeed in helping your student receive much more attractive offers.
- ✓ How to minimize college debt and accelerate ALL debt pay-offs.
- ✓ How to personalize an insightful academic and financial self assessment.

**Presenter:** Dennis Raup, Business and Educational Consultant, Publisher, [www.college-smart-scholarships.com](http://www.college-smart-scholarships.com). Dennis's passion is to help families minimize college debt and enjoy a prosperous debt free future. He enjoys helping families lower their out of pocket costs and achieve a peace of mind in navigating the college process. Dennis is proud to feature the services of College Assistance Plus, a Rochester, NY based fast growing national firm with a proprietary database of over 2,500 colleges and valuable financial information.
